

S.6 INTERNAL MOCK EXAMINATIONS 2022
Uganda Advanced Certificate of Education
GEOGRAPHY P250/3
(REGIONAL UGANDA AND FIELDWORK)
PAPER 3
3 Hours

INSTRUCTIONS TO CANDIDATES:

- Answer *four (4)* questions in all, *one* question from *Section A* and *three* from *Section B*.
- Any additional question(s) attempted will *not* be marked.
- Credit will be given for use of relevant sketch maps, diagrams and specific local examples studied in the field.

SECTION A: FIELDWORK

1. For any fieldwork you have carried out on a **factory**;
 - a) (i) State the topic of fieldwork study,
(ii) Outline the objectives of fieldwork study. (05 marks)
 - b) Explain any three (3) fieldwork techniques you used in collecting data from the area of study. (09 marks)
 - c) State the demerits of using the fieldwork techniques described in (b) above. (06 marks)
 - d) Discuss the steps you followed in processing data. (05 marks)
2. For any field work you have conducted either as **an individual** or as **a group**;
 - a) Mention the theme of study. (06 marks)
 - b) Draw an annotated landscape sketch of the area studied and show its geographical layout. (08 marks)
 - c) To what extent was the fieldwork study geographical? (06 marks)
 - d) What challenges did you encounter while in the area studied. (05 marks)

SECTION B: REGIONAL UGANDA

3.
 - (a) Describe the characteristics of tropical rainforest vegetation in Uganda. (15 marks)
 - (b) To what extent have physical factors contributed to the deterioration of tropical rainforests in Uganda? (10 marks)
4.
 - (a) Outline the state of the transport industry in Uganda. (10 marks)
 - (b) Account for the innovations in the transport industry of Uganda. (15 marks)

5. Study the table below shows the consumption rates of biomass in Uganda between 2014 – 2019 and answer the questions that follow:

Biomass	Consumption in percentages
Fuel wood	78.6
Charcoal	5.6
Crop residues	4.7
Total	88.9

Source: Ministry of Energy and Minerals Development, Strategic Investment Plan 2014/15 – 2018/19, Page 33

- (a) Draw a simple divided rectangle to show the demand for forest products in the table above. (10 marks)
- (b) Mention the biomass products that are:
- (i) Highly, (01 mark)
- (ii) Least consumed. (01 mark)
- (c) Account for the high consumption rate of biomass energy in Uganda. (13 marks)
6. (a) Examine the factors for urban development in Uganda. (17 marks)
- (b) Describe the problems associated with urban development in Uganda. (08 marks)
7. (a) Distinguish between the renewable and non-renewable natural resources. (09 marks)
- (b) What steps are being taken to ensure sustainable utilization of water resources in Uganda? (16 marks)
8. (a) Explain the steps being taken to promote agricultural modernization in Uganda. (15 marks)
- (b) Outline the importance of promoting agricultural modernization strategy in the development of Uganda? (10 marks)
