# PRACTICAL QUESTION SIX
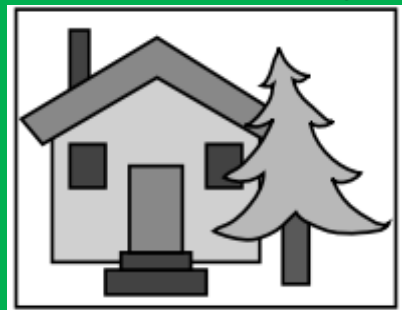

(a) Using a word processing application, load the article in a file Modernization .rtf and save it as your First name and today's date.

(b)     Include the title of the article as "Modernization theory" in upper case.

(c)     Centre, Bold and apply a font color green with size 20 and a dotted underline to the title above.

(d)     Justify and apply font size 14 in Times New Roman to the body of the document with a light blue background color.

(e)     Indent the paragraph under **MARXIST VERSES CAPITALIST** to 2.1cm left and right

(f)     Generate Table of Content for the article automatically on the first page.

(g)     On page two draw an Oval shape centered in the middle of the content in paragraph 1.1 with height 5.27cm and width 6.43cm.

(h)     Fill the Oval shape with image Nutrionist.png and send it behind text

(i)     Double strike through the content under **Capitalist** sub heading

(j)     Apply bullets on the economic causes of under development as cited.

(k)     Insert an image **J216CABIN.jpg** in the middle of paragraph 1.4.1

- Wrap it tight in text.
- Resize it to height of **3.0cm** and width of **4.07cm**.
- Reflect the image so that the tree is on the right, like this

(l)     Add page numbers in the format **1of 2**. (Page X of Y) in the footer section

(m)     Add a header of your names and combination

(n)     Insert an end note in the last paragraph as document source: as http://www.develoment.com

(o)     Include tri.jpg image as a water mark.

(p)     On the **Final Stage of Development** content apply a copy right symbol and a registered trade mark symbol on line one and two respectively

(q)     Perform a spell check in your document to remove all spelling and grammatical errors.

(r)     Create a purple shadow page boarder of 6pts on only page 1 of the article.

(s)     Print only page one and two of your work, Save changes and close the file
